

The next Visitation is scheduled for February 15, 2012. Use the words I HEART

Example:

I HEART when my husband surprises me with diamonds. But sometimes he needs a little help. Be sure to have Dave's card on hand. He will help your husband pick out the perfect piece of MJ Christensen jewelry that has you saying....I HEART YOU!

For members and guests, every six weeks we meet in groups for Visitation. It helps us learn more about each other's businesses and how we can tip each other. Instead of your own commercial please do a 30 second commercial for one of your team members.

Team leaders are in bold – it's your responsibility to get your team together and you will have an extra 5 seconds to tell where the group met. There is a \$25 fine if you miss Visitation.
